

Last Sunday AM	Last Sunday PM	Wednesday
<p>Elder David Harris preached “The Wonders of God” using I Corinthians 2: 1-5, Joshua 3:5, Deuteronomy 7:19, Joel 2:21, Acts 2: 43, 6:8, 2:22, 15: 12 and 19:11. Pharaoh’s heart was hardened so he couldn’t see the wonders of God. When the death angel came, Pharaoh’s heart was softened. God will sometimes “set us up for a miracle.” Sometimes, sickness is because of sin, but not always. Sometimes it is for the glory of God. God will do wonders for us. We need to listen to the voice of God no matter where we are. Don’t be afraid of the devil. Sometimes we focus on healing when we need people delivered from the devil. The devil tries to put confusion in our minds. But keep praying, and something will happen. We need the gifts of the spirit in the church. Sometimes we have to lay things on the altar to receive what God has for us. We need to resist the devil. Don’t fret over what the devil is trying to do. Believe God is going to do god for those who belong to Him.</p>	<p>The saints sent praise up, and God’s power came down. There was a continual outburst of praise for 1 ½ hours. The Lord moved so strongly that people were healed. Everyone in the sanctuary leapt, danced, shouted, ran, clapped, and waved, lost in praise to Jesus. From the oldest saint to the youngest child, we worshiped with abandon. Little ones like 14-month-old Gavin Joseph danced. Two main sparkplugs who began the outburst of worship were Sister Felicia Sandy and Sister Laquetta Haddix. Brother Rusty Sandy exhorted with great anointing, and Sister Felicia testified with boldness and anointing. Sister Rachel Claypool was miraculously freed from chronic arthritis and danced and leapt totally free from pain. Sister Dana Aaron had suffered chronic pain from a herniated disc. The Lord touched her, and she worshipped God totally free from pain. Sister Rhonda Sandy danced! She said, “AWESOME. My mind is lost for words to describe how I felt tonight at our church.”</p>	<p>Elder David Harris preached “You Are a Peculiar Treasure” using Ecclesiastes 2: 8 as his main text. Peculiar means unusual, odd or distinctive. We are a peculiar treasure to the lord. Something valuable that we hold dear to our heart is a treasure to us. “But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; (I Peter 2:9) God hath chosen us as his peculiar treasure. (Psalm 135:4) When we have the spirit of God living within us, we are peculiar. We are different from the world because we are walking with Jesus. God thinks we are precious. He died on the cross so we could be healed and set free. We need to sing unto the Lord and praise Him. Let the Holy Ghost shine forth. We are peculiar treasure to God.</p>

**Fun! Bible Trivia**      ◎◎◎◎◎○○○○ *Moderate Difficulty*

**Name the three disciples who accompanied Christ to the mountain where He was transfigured?**

Submit your answer to Sis Rhonda at: [news@clarksburgcac.com](mailto:news@clarksburgcac.com)

Note: The answer to last week's Bible Trivia Question was: Simeon.

**PRAISE GOD FOR ONE OF MY MANY MIRACLES**      *Sis. Diana Todd*

My adrenal gland started shutting down right after I started on steroids 28 years ago. I spent the next 28 years, not only very ill, but knowing that if I was in any kind of an accident and didn't get to the hospital within a few minutes to get steroids, I would die. I had several tests after that, to see if the gland had come back, but no. Now it was time. I wanted to get off of steroids. I wasn't living the life I wanted on them, so why not put all my faith and trust in the Lord and do it. I went off for six months. My gland hadn't come back. My family doctor said I had to go back on at least a small dose. I told him "No, the Lord didn't bring me this far to let me down now." Dr. Woofter knows how strong my faith is. A few months later I went to my Endocrinologist and had another test done. Then I saw him at his office. He came with a shocked look on his face and stated, **"Your adrenal gland has come back 100%!"** Then Trinie had an appointment with our family doctor the next day, and she said he looked at her and said, **"Can you believe your Mom's adrenal gland came back!"** I wanted to walk around the church last Sun. night, and as I started, I felt the hand of a good godly brother on my back helping me to get started. I have never walked around like that before. **THANK YOU GOD FOR ALWAYS BEING THERE FOR MY EVERY NEED.** I know if He will do it for me, He will do it for you. Have faith and have patience; don't every stop believing!

**Special Prayer Requests**
