| <p>Elder David Harris preached “Cry From Yonder Hill” using Exo. 2:23, Matt. 26:36 and Num. 23:16. We need to get in desperation and stir ourselves to cry out for God’s help. We need to seek God’s face. The devil is on the war path to cause division among God’s people. Until we lay aside having aught against one another we won’t see signs and miracles. We should believe and have faith for miracles. The Shumanite woman was promised a child by the prophet. The baby boy was born. A few years later he died. The woman went to the man of God. When he prayed, the boy was raised from the dead. When we get desperate and cry out to God we’ll see signs and wonders. We must get past not liking one another. Go to one another and get matters solved. We all have low points. It’s time to cry out from the bottom of our hearts. Then we will see things happen. Cry out from yonder hill. We need to get to the place where we pray for something and believe it will happen.</p> | <p>Elder David Harris preached “Journey From Ziklag” using Gen. 30:36 and I Sam. 30:1-6. When David and his men came home to the city of Ziklag, they found that the Amalekites had burned the city and taken their wives and children captive. They wept until they had no more power to weep. But David encouraged himself in the Lord. When you have disappointments, sickness, pain or discouragements, put on the garment of joy. Take the sword of the Lord which is the Word of God and go out and fight the devil. God will be with you. You are His child and He will bring you to the other side. The prodigal son took his inheritance and spent it all in riotous living. He ended up in a pig pen. When he came to himself, he thought there is something better on the other side. I will arise and go to my father. Get back on this journey. Pick up God’s sword and say “Devil I may be weak but God is on my side.” He will bring you to a place of victory and security.</p> | <p>Elder Bill Kennedy preached using Ephesians 6:10-12 as his text. Be strong in the Lord, because we are in a battle. The devil is like a roaring lion walking about seeking whom he may devour. It is his intent to destroy every church that he possibly can. Be strong in the Lord, in the power of His might It’s not about us; it’s all about God working through us. By ourselves, we are not strong or smart enough, but through Him we can do all things. If we make it to Heaven it will be because Jesus is working in us. Stay on fire of the Holy Ghost. There is no time to quit, turn back or give up. We are more than conquerors through Jesus. Nothing can separate us from the Kingdom of God. Put on the whole armour of God. We don’t fight people; we fight against principalities, powers and spiritual wickedness in high places. Stay in the truth, the Word of God. Pray always in the spirit. The reason we are still here is because of God’s mercies.</p> |

| Unfortunately many homes—yes, even so-called Christian homes—are like the one in which the little girl pointed to the Bible on the mantle that was never opened, and said to her mother, "Whose book is that?" Her mother, quite startled by her daughter's question, replied, "Why honey, don't you know? That is God's book!" The child, demonstrating that she had a very practical turn to her mind, said, "Don't you think that we had better give it back to him? No one around here ever reads it." | | |

A tourist was driving down a desert road and came upon a sign that said, "Road Closed. Do Not Enter." He thought the road looked passable, so he ignored the sign and continued driving down the road. A mile later, he came to a bridge that was out. He turned around and drove back in the direction he came from. As he approached the warning sign, he read this on the back side: "Welcome Back. Told You So."
