

Last Sunday AM	Sunday PM	Wednesday PM
<p>Elder Lorren Godwin preached using Psalm 19:14. Thoughts and ideas can take root and cause horrible things to happen. It is so important that the meditation of our heart be pleasing to God. We ought to be on guard against bad influences. If we are not careful, if we let our guard down, we can allow bad influences in our thoughts. We need to think on good things. Have good thoughts. We cannot be too careful in protecting our salvation. We have emotions connected to the mental, physical and spiritual. If we control our emotions related to the mental and spiritual, our emotions about the physical will fall in line. As we mature in God, we grow and develop the mind of Christ. Our thoughts and meditation belong to Him. Worldly places, even today's malls, are often freak shows. We need to be transformed into something better, completely different. Being baptized and filled with the Holy Ghost is a transformation. Jesus said that we are the salt of the world. May our "thought lives" be holy.</p>	<p>Pastor Joseph preached "Our Strength in Unity" using Daniel 7:1-10. In history, empires of the world have united in power. But God wants His people to be united and powerful in Him. Let us bear with each other regarding different convictions. The world gets more wicked daily. In America, wicked acts once outlawed are now protected by so-called "hate speech" laws—"life styles" not to be spoken against. God told Abraham to take his family and get out of Ur because their culture was wicked. He was obedient to God's call. Wisdom is learning God's principle and applying it to your life. We must not be conformed to this world but be transformed by the renewing of our mind. Consider: what does God say about a matter? The world tries to put us into its mold to squeeze us into its image. But don't think, talk, or live like the world. We are not of this world. Save yourself and your family! Ryann Ramsey and Levi McClain were baptized in the name of the Lord Jesus Christ!</p>	<p>Pastor Joseph taught on prophecy using Daniel 9:24-27. The topic was "Daniel's 70 Weeks." God determined upon Israel and Jerusalem, 70 "sevens" (70 periods of seven prophetic years each). The 490 year period is composed of "years" having 360 days, (like a lunar-based calendar), sometimes called "prophetic years." This explains why, in the Book of Revelation, the 3½ "years" that make up half of the Tribulation period are revealed as 1,260 days (not 1,277). That is $3.5 \times 360 = 1,260$. The 490 "years" began in 444 BC, at the decree of Artaxerxes to restore and rebuild Jerusalem. The period is divided into three portions: The first, 7 "sevens" (or 49 years) was for the rebuilding of Jerusalem. The second, 62 "sevens" (434 years) went from the end of the first 49 years until Jesus Christ was presented and crucified in 33 AD. The final "seven" (the Tribulation period) is separated from the first 69 "sevens", by a gap of time called "The Church Age." Then, everlasting righteousness will come.</p>

Out bicycling one day with my eight-year-old granddaughter, Carolyn, I got a little wistful. "In ten years," I said, "you'll want to be with your friends and you won't go walking, biking, and swimming with me like you do now." Carolyn shrugged. "In ten years you'll be too old to do all those things anyway."		
Dinosaurs are fascinating. My three-year-old is obsessed with them. Recently we were riding on a bus, and he asked another passenger what her name was. "My name is Deena," she said. "Can you say Deena?" "Deena," said my son. Then he asked her, "Can you say pachycephalosaurus?"
