Last Sunday AM	Sunday PM
Associate Pastor David Harris preached "It's Time to Start Running" using Hebrews 12:1-2. We must lay aside every weight and sin which does so easily beset us and run with patience the race that is set before us. This is not a fast race. If we start running this race fast and get tired and quit, we're going to lose out. We must keep running at a steady pace and stay on the right track and endure. When David went out to meet Goliath, "he ran toward the army to meet the Philistine." We need to run toward, and not away from, our problems. The man with the unclean spirit ran to Jesus, and the spirits left his body when Jesus cast them out. It's time to start running! We need to run after souls. Many are out there in the world dying lost without a Savior We must do our best to run to souls and tell them about salvation. Let us awake in the morning with our minds on Jesus, asking, "Who can I help today?" Jesus is coming back. If we don't get our minds and hearts focused on Him, we aren't going to make it. But in Him, we can win!	Pastor Joseph preached "Living in The House of Pain" using I Kings 19:1-3,9, 14-21 & II Kings 2:9-13. If your pastor would die, would you backslide? Do you have a relationship with God or only with your pastor? We need to plow straight ahead. We need to have a relationship with God, our heavenly Father, as well as with the church, our heavenly Mother. The enemy may try to tell you that being a Christian means your life will be problem free and pain free. That's a lie. We all face problems and pain in this life. But God can comfort us through the pain, and He expects us to deal with our problems with His help. The church is certain to have problems. We all have our ups and downs. When problems come along, we all need to make the choice that "I will not backslide because of this. I have God who will see me through." We'll all have pain, but it will be precious because we have a relationship with God. Elisha had a choice: Do I have a relationship with God or only with Elijah? We must choose God above anyone or anything.

**Fun!** HUMOR      Send in your funny stories to [news@cac.us.com](mailto:news@cac.us.com)

On a beautiful fall morning a Sunday School class was taking a nature walk. "Isn't God amazing?" the teacher said. "Look at all the beautiful colors on the leaves." "I don't mean to criticize God," a fourth grader said, "But wouldn't He have enjoyed it more if He made the leaves fall up?"

My sister explained to my nephew how his voice would eventually change as he grew up. Tyler was exuberant at the prospect. "Cool," he said "I hope I get to speak in tongues."
