Who made the Ark of the Covenant? What bird did God send the people to eat in the wilderness?

Submit your answer to Sis Rhonda at: <u>news@cac.us.com</u>

Last week's answer: 7 days (found in Numbers 12:14).

Answer to easier question: 10 plagues (found in chapters 7-11 of Exodus).

Fun! HUMOR Send in your funny stories to <u>news@cac.us.com</u>

During a visit to my doctor, I asked him, "How do you determine whether or not an older person should be put in an old age home?" "Well," he said, "we fill up a bathtub, then we offer a teaspoon, a teacup and a bucket to the person to empty the bathtub." "Oh, I understand," I said. "A normal person would use the bucket because it is bigger than the spoon or the teacup." "No," he said. "A normal person would pull the plug. Do you want a bed near the window?"

A little girl had just finished her first week of school. "I'm just wasting my time," she said to her mother. "I can't read, I can't write, and they won't let me talk!"
