Bro Jim Starkey was freed from pain, and little Jamie sought God in the altar.

Elder Harris received a great touch of healing!

Bro Jim Starkey (*seen at left*) was touched both physically and spiritually. The Lord took away all the pain in his side. He wept and rejoiced and danced before the Lord.

Elder David Harris Jr (*seen at left*) had suffered terrible pain and stiffness in his shoulders, and had surgeries which were unable to completely correct the problems. The Lord touched him during the revival service, and he demonstrated God's touch by picking up a large speaker cabinet and carrying it on his shoulders!

Sis Freda Anderson (*seen below*) walked all around! She sparked faith in all our hearts.

## Sunday: More Miraculous Healings, & Three Filled With the Spirit & Baptized!

On Sunday morning, Sis Cheryl Richards (*seen at right*) was filled with the Holy Ghost and ran and danced all around the church. She was also water baptized in Jesus name the same service. When she first came to CAC several months ago, she was very ill. God has helped her regain strength.

Sis Becky Echard (*seen at right*) was filled with the Holy Ghost, and she was water baptized in Jesus name during the evening service of the same day.

Many years ago (after a car accident) the doctors told Sis Rhonda Moore (*seen at right*) that she would never walk again. Over the years she was blessed to be able to walk with the help of a cane. However, the Lord further touched her during the revival, and she walked all around the church without using her cane. Days afterward she said, "All I know is that I *am* walking better. I still need a little help outside walking on grounds and in crowds, but nobody can tell me I didn't get a touch. I know I did."

Sunday evening, in addition to Sis Echard's baptism, Bro Terry Curby (*seen at right*) was filled with the Spirit & water baptized.

During the same service, Sis Renee Bargo (*seen on prior page*), who had recently been unable to move her feet, got up from her wheel chair and walked all around the church! Her father testified that she had definitely received a touch from the Lord enabling her to walk. There were many other great things that happened. These are just a few of the blessings God bestowed.

## Wednesday

Elder Keith Fought preached "What Did You Come Here to Expect?" using Acts 3:1-11. Evangelist Felix Crowder didn't take revival with him when he left. The church of the living God is still here. Jesus is still here. When Peter and James went into the temple, the lame man knew something was going to happen. With hunger he looked into their eyes expecting to receive something. He received something far greater than alms. The world is out there today just waiting for someone to help them. Let this be your daily prayer: "Lord, show me someone to help." They may need to walk; they may need to have cancer healed; they may be in need of salvation. Be ready and willing at all times to be God's helping hand. **Carissa Channel was filled with the Holy Ghost!**

### Fun! HUMOR

Send in your funny stories to [news@cac.us.com](mailto:news@cac.us.com)

A grandmother was telling her little granddaughter what her own childhood was like: "We used to skate outside on a pond. I had a swing made from a tire; it hung from a tree in our front yard. We rode our pony. We picked wild raspberries in the woods." The little girl was wide-eyed, taking this in. At last she said, "I sure wish I'd gotten to know you sooner!"

My granddaughter came to spend a few weeks with me, and I decided to teach her to sew. After I had gone through a lengthy explanation of how to thread the machine, she stepped back, put her hands on her hips, and said in disbelief, "You mean you can do all that, but you can't operate my Game Boy?"

### Healing & Holy Ghost Revival — A Few Highlights

Below are just some of the great things God did at our awesome “Healing & Holy Ghost Revival” last Friday, Saturday, and Sunday. Our special speaker was Evangelist Felix Crowder. The photo below shows many of the people who were healed and/or filled with the Holy Ghost, and all three of those were water baptized in Jesus name:

#### Friday PM: Miracles, Healings, & an 8-year-old filled with the Holy Ghost

On Friday night, we counted seven miraculous healings, and an 8-year-old, Mallory Maul (*seen at right*), was filled with the Holy Ghost and spoke in tongues!

*Mallory Maul*

*Sis Shawna Brownfield*

*Sis Christina Ramsey*

That was only her second visit to our church. Among those who received a healing touch was Sis Shawna Brownfield (*seen above*), who removed a wrist brace after the Lord touched a damaged ligament, and Sis Christina Ramsey (*seen above*), who removed a wrist wrap bandage after the Lord touched a sore, sprained wrist.

#### Saturday PM: More Miracles & Healings

Sis Rachel Claypool was healed from a 20-year long pain and stiffness in her neck and delivered from a knot/cyst in her neck that she had for years. The knot, which was about the size of a jawbreaker gum ball, went down in size drastically and has almost vanished. It is currently only about the size of a pea. (*Article continued inside*)
