Last Sunday AM	Sunday PM
Elder Keith Fought preached "The Battle is Not Yours, It Is the Lord's" using II Chronicles 20. When troubles come, we try to reason among ourselves what to do, but no matter how big the problem may be, take it to God. People think they can take care of problems themselves. There's no way we can do it ourselves; we'll just make a mess of them. The battle's not yours, it's Gods. Pray, fast and let God take care of it. Don't worry and wear a frown on your face; hold your head up high and let people know that God takes care of everything. Depend on God, trust Him; everything will be alright. Before you get victory you have to worship God. Jesus wants us to magnify Him and proclaim our love to Him instead of always asking Him for something. He knows the problems we have but as we worship and magnify Him, He will take care of them. Don't be afraid. God is greater than any problem we may face. People will try to hinder your walk with God. But no matter what people do or say about you, keep living for God because the battle is His. When you have problems and feel that there's no hope, just stand still and see the salvation of the Lord.	Sister Hannah Fryzel preached using Isaiah 26:3-4. Every day we have problems. We should let God take care of them. We need to praise God with our whole heart, no matter what our mood is or what others think. We need to witness—just think how many of us would be bound for hell if it had not been for others witnessing to us and praying for us. Jr. Elder Rusty Sandy preached "Let Your Expectation Exceed your Problem" using Acts 3:1-5. When the lame man looked at Peter and John he expected to receive something. We need to have a high expectation of what we are going to receive. Our high expectation should be greater than our problem. Expect it to happen; have faith. The wall was around the city of Jericho, but Joshua had high expectation and the wall fell down. God will respond if you come to Him with high expectation. The devil will try to get you to turn back to worldly addictions and pleasures; he will try every trick to get you to stop and give up your walk with God. Hold on; let nothing stop you; keep pressing on with high expectation to do the will of God.

Prayer for Leroy

At the Saturday night tent revival the preacher announced, "Anyone with 'needs' to be prayed over, come forward to the front at the altar." Leroy got in line, and when it was his turn, the preacher asked, "Leroy, what do you want me to pray about for you?" Leroy replied, "Preacher, I need you to pray for help with my hearing." The preacher put one finger in Leroy's ear, and he placed the other hand on top of Leroy's head and prayed and prayed and prayed. After a few minutes the preacher removed his hands, stood back and asked, "Leroy, how is your hearing now?" to which Leroy replied, "I don't know yet, Reverend, my hearing isn't 'til next Wednesday."

Hereafter

On a pastoral visit, the young minister asked the elderly lady if she was concerned about the hereafter. To which she stated, "Oh my goodness yes. I think about it everyday when I come out to the kitchen and then say to myself, now what am I here after."
