Last Sunday AM

Elder Charles Hoskins preached “Children of the Day, Children of the Light – Anointed” using John 8:12 & Matthew 5:13-16. Jesus is the light of the world. If we walk in Him, we are the children of light. We are the salt of the earth. If the salt loses its savor, it is good for nothing. When we go to work, to school, or wherever, we should let our light shine so men can see the anointing in us. As we journey through this life, we must let our light shine. The day of the Lord will come as a thief in the night. Let us not be taken by surprise, for we are the children of light. Keep your eyes focused upon Jesus and always be watching for His return. Be strong in the Lord. Put on the shield of faith, the breastplate of righteousness, and wear the hope of salvation as a helmet. Put on the whole armor of God that you will be able to stand against the wiles of the devil. We must have truth, righteousness, peace, faith, salvation, and the word of God. In this life we will travail, but we are still children of God. Pray and seek God in all you do. God did not appoint us to wrath but to obtain salvation.

Sunday PM

Pastor Joseph preached “Walk the Walk and Talk the Talk” using Ephesians 4:1-30. God wants us to make every effort to keep the unity of the Spirit through the bond of peace. We need to examine ourselves to see our own flaws. We see flaws in our brother or sister and criticize them while at the same time we have problems of our own. We can look in a natural mirror to see what’s wrong with our natural body. We need to look in the Bible (spiritual mirror) to see our inward faults. Even then, you won’t be able to fix yourself. We can’t save ourselves. That’s why we need a Savior. Don’t tear others down when you look at them and see their faults. Be humble, gentle and patient, bearing with one another in love. The curse of sin is on everyone. We all need Jesus. He can fix problems for us, but He often uses people to do it. He gave some apostles, some prophets, some evangelists, and some pastors and teachers, for the perfecting of the saints, for the work of the ministry, and for the edifying of the body of Christ. We need to focus on our own problems and live in unity with our brother/sister.

Wednesday

There was no service on Wednesday due to the winter storm.

The indians asked their chief in autumn if the winter was going to be cold or not. Not really knowing an answer, the chief replied that the winter was going to be cold and that the members of the village were to collect wood to be prepared. Being a good leader, he then went to the nearest phone booth and called the National Weather Service and asked, "Is this winter to be cold?" The man on the phone responded, "This winter is going to be quite cold indeed." So the chief went back to speed up his people to collect even more wood to be prepared. A week later he called the National Weather Service again, "Is it going to be a very cold winter?" "Yes", the man replied, "it's going to be a very cold winter." So the Chief went back to his people and ordered them to go and find every scrap of wood they can find. Two weeks later he called the National Weather Service again: "Are you absolutely sure that the winter is going to be very cold?" "Absolutely" the man replied, "the indians are collecting fire wood like crazy!"

We purchased an old home in upstate New York from two elderly sisters. Winter was fast approaching and I was concerned about the house's lack of insulation. "If they could live here all those years, so can we!" my husband confidently declared. One November night the temperature plunged to below zero, and we woke up to find interior walls covered with frost. My husband called the sisters to ask how they had kept the house warm. After a rather brief conversation, he hung up. "For the past 30 years," he muttered, "they've gone to Florida for the winter."

Renee Bargo get needed medical treatment.

Renee is diagnosed with Charcot Marie Tooth's disease, which is a very debilitating condition. Previously, there was no known treatment, but now there is a new treatment called Adipose Stem Cell Therapy, which may help her. The treatment uses the patient's own stem cells, and none from anyone else. It has shown some success in treating others with the same issue. She will be traveling from West Virginia to Arizona to have the treatment. Her family, church, and other friends are sponsoring various fundraisers to help her gather the \$7,500 needed for the treatment and travel. On behalf of Renee and her family, thank you for helping us to raise the needed funds.
