Last Sunday AM

God greatly blessed our 40th Anniversary Services. Bro. Jerry Samouce ministered about the parable of the ten virgins. We must keep our lamps lit and filled with oil (the Spirit of God). Bro. Greg Hurley blessed us using Acts 2:41-47. God has blessed us with His absolute truth. The power of God's Spirit was poured out on the Day of Pentecost. God's church is still alive today. We must keep it going. We are the church of the living God. Bro. Terry Null preached using passages from Luke 15. We must take the time to sit down and talk to sinners. The man who lost one sheep didn't just take a few moments of his time to hunt for this one. He searched and searched until he found him. He embraced him and had a big celebration. Likewise, did the woman who lost one coin. Shepherds know the value of one sheep, do we know the value of one lost soul? The prodigal son was ready to come home. His father ran and met him and welcomed him home with a big celebration. We can find mercy and forgiveness from God when we want to come home to Him. So be willing to show mercy!

Sunday PM

God moved in awesome ways. Bro. Terry Null preached using passages from Acts 12. God hears our prayers and praise. When Peter was thrown in jail, an angel came and set him free. God sent this angel because prayer was made without ceasing for him. Soldiers were guarding Peter, plus he was bound with chains. There is no force or stronghold that can keep God's people down. Peter had peace, knowing that no matter what happened to him God would take care of him. He was sleeping in a boat in the midst of a storm. No fear could take hold of him. We can have confidence that everything is going to work out. Bro. Null prophesied that God's people have been abused and slapped around long enough. Now everything's going to work out. Bro. Tyler Benedum was filled with the Holy Ghost and baptized in Jesus name. Praise God!

Wednesday

Pastor Joseph preached using Deuteronomy 31:30. Moses sang a song for all the people in which he announced that his doctrine would fall like rain, and come down like dew. God's Word is beautiful. It is like the dew touching down upon the grass. It is so refreshing to our soul. We should love the teaching of God's Word. We need to look forward to the teaching of God's Word. Keep yourself focused on it. We must be careful and not let this old carnal nature, which we all have, trick us. It will tell us to stay home on Wednesday night because "that's just Bible study." Submit yourself to prayer and desire God's Word. Doctrine is *teaching*. When Jesus taught, the people were astonished at His doctrine. He taught them as one having authority. It matters what we teach because it affects people. "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness" (II Timothy 3:16). We must live, talk, be and teach Biblical doctrine. Believe right. Do right.

<p>A Honda rider decided to travel to Europe by cruise ship and managed to secure passage on the same boat as a bunch of Harley-Davidson riders. During the voyage, the ship sank and the rider wound up in a three-man lifeboat with the ship's captain and two of the H.D. riders. The captain announced that someone would have to get out. "We'll do it right though," he said. "The three of you will be given a fair test and the loser will jump out." Everyone agreed, so the captain turned to one of the Harley riders and asked, "What was the largest ocean liner to sink in the past century?" "The Titanic." "Right," said the captain. Turning to the other Harley rider, he asked, "How many people were on the Titanic?" "2463." "That's correct," the captain stated. Fixing a hard eye on the Honda rider, he then said, "Name 'em."</p> <p>There were two guys riding motorcycles on a windy afternoon. One of the guys was complaining because the cold air was blowing into his shirt. His buddy told him to turn his jacket around, so that the collar of the jacket would be at his neck. That way no air could get into his shirt. So that is what he did. After riding for a while the two men came upon a curve. They were going too fast, and they crashed. Witnesses called 911 and rushed to the motorcyclist's aid. When the police arrived, they were doing a report. The police asked a witness if both of the men were deceased when they got to the scene. "No," the man replied, "The one man was still alive, but by the time we got his head turned around to where it was supposed to be, he was dead!"</p>
