### Last Sunday AM

Elder Keith Fought preached "Strong Storm, Stronger Anchor" from Acts 27:22-32. Before you can know the strength of your Anchor, you have to feel the storm! An angel of God appeared to Paul and told him not worry; that no one on the ship would die, but the ship would be lost. While in the midst of the storm, the others began to worry that they were going to die. They cast out their anchors and even started letting down a lifeboat to flee the ship. Paul warned them to stay in the ship so they would not perish. When we are in the midst of the storm of our lives, we need to stay in the ship, the Church, and trust in our anchor, Jesus Christ. That's when we realize how strong our Anchor is. Those of us here today that have felt the storm know how strong Jesus is, and that as long as we stay anchored in Jesus Christ we will always be fine. Ask Bro. Zach how strong his Anchor is. Ask the Hoskins how strong their Anchor is. An old song says, "The Anchor holds, though the ship is battered! The anchor holds, though the sails are torn. I have fallen on my knees, as I face the raging seas. The anchor holds, in spite of the storm!"

### Last Sunday PM

Elder Lorren Godwin preached "Life is a Marathon, Not a Sprint" from Mark 12:30: "And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and all thy strength: this is the first commandment." When we first come to Jesus, it is exciting and we live on emotion. As we mature, we face situations that cause us to seek God deeper. As we begin to seek Him and to know Him more, our relationship begins to change. As our love for Him grows, and as we begin to learn even more of Him, we begin to think like Him and then act like Him. As we progress, we then begin to find our calling. To please Him, we began to focus our energy on His work. If our relationships grow and progress the way God intends, we grow through stages into a relationship with God that causes us to please Him and seek perfection in His eyes, as well as accomplish great things for His kingdom. The key is to never allow the relationship to stagnate in one area, so we reach maturity and fulfill our calling.

### Fun! Kids Corner Word Search: 30 Books of the Bible

There are thirty books of the Bible in this paragraph. Can you find them? This is a most remarkable puzzle. It was found by a gentleman in an airplane seat pocket, on a flight from Los Angeles to Honolulu keeping him occupied for hours. He enjoyed it so much, he passed it on to some friends. One friend from Illinois worked on this while fishing from his John boat. Another friend studied it while playing his banjo. Elaine Taylor, a columnist friend, was so intrigued by it she mentioned it in her weekly newspaper column. Another friend judges the job of solving this puzzle so involving, she brews a cup of tea to help her nerves. There will be some names that are really easy to spot, that's a fact. Some people, however, will soon find themselves in a jam, especially since the book names are not necessarily capitalized. Truthfully, from answers we get, we are forced to admit it usually takes a minister or scholar to see some of them at the worst. Research has shown that something in our genes is responsible for the difficulty we have in seeing the books in this paragraph. During a recent fund raising event, which featured this puzzle, the Alpha Delta Phi lemonade booth set a new sales record. The local paper, the Chronicle, surveyed over 200 patrons who reported that this puzzle was one of the most difficult they had ever seen. As Daniel Humana humbly puts it "The books are all right here in plain view hidden from sight." Those able to find all of them will hear great lamentations from those who have to be shown. One revelation that may help is that books like Timothy and Samuel may occur without their numbers. Also, keep in mind, that punctuation and spaces in the middle are normal. A chipper attitude will help you compete really well against those who claim to know the answers. Remember, there is no need for a mad exodus, there really are 30 books of the Bible lurking somewhere in this paragraph waiting to be found. God bless.

Fun!
