Last Sunday AM

Pastor Joseph preached a message on dedication, encouraging us to serve God with all of our heart. He used Psalm 119:2 as his text: "Blessed are they that keep his testimonies, and that seek him with the whole heart." There is grave danger in living for God halfheartedly. Living for God halfway is very hard. Living for him with your whole heart is the best way, and the only way to be truly pleasing in God's sight. When we are not serving God completely, we make many more mistakes than we would have made, and we commit more sins than we should have committed. When we make decisions from a carnal mindset and a lack of wisdom, such a lifestyle causes much damage to us, our families, our church, and the kingdom of God. Bad things can always happen, but woe to us if a tragedy happens directly because of our own rebellion or refusal to follow God completely.

Last Sunday PM

Pastor Joseph preached "Sonlight on the Water." For his texts, he used II Kings 3 and Psalm 16:11: "Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore." The kings of Judah, Israel, and Edom were partnered together for a key battle, but their armies were dehydrated, sorely weakened from thirst. Defeat seemed sure. But then one that trusted in God the most, and who had a good relationship with the man of God in his life, convinced the other kings to find the man of God, Elisha, and inquire of the Lord. When your situation is bleak, get in the presence of God! When the hand you've been dealt by life is poor, worship God! When your cup is dry, find fullness of joy in Him! The man of God needed to feel the anointing, so he called for a minstrel (a musician) to help him get in God's presence. Once he had a word from God, he told the kings to dig ditches in the dry valley. He prophesied that water would fill the ditches, even the whole valley. When the water came, the enemies on the other side of the valley saw the sunlight reflected on the water, and mistook it for blood. They were tricked into coming across the valley unprepared, and the people of God won a great victory. When the light of the "Son" reflects off the water (of baptism in Jesus name) our adversary will only see the blood. The enemy makes a terrible mistake by thinking he can come through the blood of Jesus to attack us! "Yea though I walk through the valley of the shadow of death..." Pastor Joseph told some amazing personal testimonies. There was a great move of God.

Last Wednesday – Zach's first church service after his miracle!

Two and a half weeks ago, CAC's own Bro. Zach Sandy was struck and killed by lightning. When the paramedics were giving up and considering calling the time of death, prayer was made outside the ambulance, and God restored Zach's heartbeat! What a mighty time of rejoicing we had, thanking God for Zach! Wednesday night was also our church business meeting, with elections conducted. Congratulations to those elected to serve! (See next page for names.)

Congratulations to our newly elected officers!

 Where Miracles Live

A Living Witness of God's Miracle!

Above left: Zach Sandy up to bat at his homecoming celebration yesterday, which was attended by well over 100 people. Above right: The words "We Love You Zach" were displayed in the fence, and posters were seen everywhere. Let's make today's church service an anointed continuation of celebrating God's miracle for Zach! Pics from FB.

Congratulations to Cubby and Austin!
