Sunday AM

Former Pastor Terry Null preached "Go Forward" from Exodus 14. The tiniest seed sown can return a thousand fold. Don't let drought around the seed affect faith. There are times when we must wait upon God. Spend such times in praising God. God is not a "microwave" God. He hears our cries and prayers. When our troubles are out of our control, they're in God's control. God will give us strength to worship Him in the presence of our enemies. In Exodus, the children of Israel had just been delivered from a hard life in Egypt. But now they are camped between two mountains (a swamp and bitter water) with the Red Sea in front of them and the Egyptian army pursuing after them. God's protection was with them. God will take care of the enemy that's been a thorn in your flesh. It's time to speak to the situation and keep praising Him. As long as you look back, you can't go forward. We must embrace God 100% or we'll always live on the border. Go forward in faith knowing that God is always with you.

Sunday PM

Former Pastor Terry Null preached "It's Going To Be Alright" from II Kings 4. Elisha had been to the woman's house; she had prepared him a room; he told her through God that she would have a son. Later, her "promised son" died. She had a circle of voices going through her mind presumably offering sympathy. Yet she had faith that "it shall be well." She determined to go to the man of God. When Elisha saw her approach, he sent his servant to her to ask her how the child was. She answered, "It is well," even though he was dead. Don't let fear take over. Fear will make you cave in and crash. Fear doesn't help tomorrow's trouble; it only makes today's trouble worse. When Elisha got to her house he stretched himself over the child, and the child rose from the dead. Let the faith of the man of God come to your situation and be stretched over your troubles. By faith, "It is well!"

Wednesday

Elder Rusty Sandy preached "Revival Continues" from Acts 2:42-47. We must not lose revival spirit after an evangelist leaves. Revival must continue in our hearts. People are dying without God every day. We need to have our minds fixed that we are going to witness, pray, and fast to see souls saved. Come to church praising God. Let His Spirit move so that people can walk through the doors and feel the power of the Holy Ghost. Live such that wherever you go people will see you and want what you have. We are in revival right now!

Elder Baron Claypool preached "Obedience" from Genesis 4:1-7, I Samuel 15:22 & Philippians 2:5-8. God requires us to make a proper sacrifice to Him. He rejected Cain's sacrifice because he wasn't obedient. Obedience is better than sacrifice. We need to meditate on God always. Teach your children the laws of God. Be consistent: live, walk, talk, dress the way God's law says. Have a pure relationship with God. No matter what man says, we must obey God. If you obey Him, you will be blessed; if you disobey Him, you will be cursed.

A 95-year-old woman at the nursing home received a visit from one of her fellow church members. "How are you feeling Mary?" the visitor asked. "Oh," said the lady, "I'm just worried sick!" "What are you worried about, dear?" her friend asked. "You look like you're in good health. They are taking care of you, aren't they?" "Yes, they are taking very good care of me." "Are you in any pain?" she asked. "No, I have never had a pain in my life." "Well, what are you worried about?" her friend asked again. The lady leaned back in her rocking chair and slowly explained her major worry. "Every close friend I ever had has already died and gone on to heaven. I'm afraid they're all wondering where I went."
