Sunday AM

Elder Les Benedum preached "Glad To Be Married" from Acts 2: 38-41. The Word of God tells us to repent, be baptized and you shall receive the gift of the Holy Ghost. When you are baptized you take on the name of Jesus. You are His bride. You, in the eyes of Jesus, are espoused to Him. Wear the name of Jesus wherever you go. Just as a husband has a smile on his face when he sees his bride, Jesus has a smile on His face when He sees His bride who has made herself ready for Him. Jesus went away to prepare a place for His bride. When we make a mistake He still wants us. He believes in us. He's taking care of us. He'll make a way for us. We are His bride. He will never forsake us. When you come into the house of God, praise Him and give Him glory. Be proud to be His bride.

Sunday PM

Elder Lorren Godwin preached "I Have Come to Worship" from Acts 16:16-25. When you find yourself in a stressful situation, just relax and worship. Don't question God. We are victorious through Him. Paul and Silas were beaten and cast into prison. Yet they prayed and sang praises to God. Lift your hands and praise Him when the world is closing in on you. The joy of the Lord is your strength. God always makes provision for His people. In II Kings 4, there was a famine in the land, yet the widow's vessel of oil never went dry. God can supply your needs. In Matthew 15, Jesus fed 4,000 people with seven loaves of bread and a few fishes. God will take care of us – not because of who we are but because of who He is. When you're going through your darkest trial, praise and worship God. He will take care of you.

Fireworks Tent – Fundraising Project Update

As you may already know, our Wednesday night service was cancelled due to extenuating circumstances at the fireworks tent. A major show of commercial grade fireworks was presented from the hill behind K-Mart. It attracted a huge crowd of spectators. This presented for our tent both challenges (such as being on guard against shoplifters and against anyone setting off personal fireworks near our tent, which occurred on some occasions and we had to be vocal against it) and blessings (the crowd caused a notable increase in tent traffic and customers). This resulted in the tent having a very good "July the 3rd" sale total. Then, on Thursday we had the best "July the 4th" sale total in the history of CAC having a tent. Every year the TNT company sets a sales goal for each tent. This year they established three tiers of prizes for tents that exceeded their projected goal by \$600, \$900, or \$1,000. Our tent exceeded our projected goal by over \$2,500! We came the closest to selling out that we have ever seen. Our returns (only 10 boxes) fit in the back of a minivan without even removing any seats! It will take about 30 days for the TNT company to finalize their accounting and settle what monetary awards our tent earned, but our early calculations indicate that our tent will net between \$7,000 to \$8,000 this year, toward our construction project. **Thank you to all who helped!**

Grandpa entered the vacation cabin with his grandson, Tommy, keeping the lights off until they got inside to avoid attracting any pesky insects. Still a few fireflies followed them in. Noticing the fireflies before Grandpa did, Tommy quietly whispered, "It's no use Grandpa. The mosquitoes are coming after us with flashlights!"

Fun! Stan 'N' Isaac The shenanigans never end.
