Pastor Joseph preached on Praise from II Chronicles 20: 12-29. Judah was stronger in number than the other tribes of Israel. They were given the “Number 1” spot for where the tribes were to camp around the tent of meeting, with God in their midst. The meaning of the name Judah is to use the hand, to revere or worship (with extended hands), to bemoan (by wringing the hands), cast (out), (make) confess (-ion), praise, (give) thank (-ful, -s, -sgiving). If you are called a praise-maniac, Praise God! We are to lift up holy hands unto the Lord and be thankful! When Judah went out to battle, they didn’t go out physical. They went into battle with praise and worship. When Jehoshaphat’s army entered singing God’s praises, the enemy was confused by the people’s spirit of praise in the midst of difficulty. Thus, Jehoshaphat’s army had victory. When you are in a spiritual warfare, pray and worship God. Don’t wring your hands and worry about a sickness, money or any trouble in your life. Just lift your hands with praise and worship to God and victory will come. God is our provider! In the midst of everything that is going wrong with our economy God will take care of His people. Judas’ name meant he should have had his hands stretched out in worship! But instead, he only used his hands to worry, fret, “wring”, and to hold onto 30 pieces of silver in betrayal! Judas’ name meant he should have had his mouth open up in worship. Instead, he used his lips to seal deals with the priests against Jesus, and to betray the Son of Man with a kiss. Don’t be a betraying “Judah”! Be a strong, praising “Judah”! Iscariot means “be the man.” COME ON, BE THE MAN! GET OUT AND DANCE. RAISE YOUR HANDS, CLAP YOUR HANDS, SHOUT UNTO GOD. Let us worship God in the beauty of holiness.
