Sunday AM

Pastor Joseph preached "The Solemn Assembly" from Joel 1:14 & 2:12-13. There are times when the people of God are called to come together and put aside other things in order to seek the "face of God." There are times when we ourselves are either physically or spiritually in peril and we come to recognize that we *need* for God to intervene and move in our lives and in our situations. God sometimes commands us to assemble together so that we can repent and get to the place where He can deliver us and bring revival. A Solemn Assembly is a time for the people to *fast and pray*; to seek the face of God; and to *repent*. It is not just praying for the arm of the Lord, but the face of the Lord as we recognize our own sin and failures and our need for God to be God in our lives again. It is a need for *revival* that brings *repentance* and *deliverance*. It is an act of repentance and faith as we fast, pray, seek, and put our carnal desires aside to see the face of God and have His help. It gets us back to where we should have been all along, and we catch the vision of God again and fulfill it. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land" (II Chronicles 7:14).

Sunday PM

Pastor Joseph preached "Ask for the Ancient Paths" from Jeremiah 6:16-26. We are living in a day when men's hearts have been hardened. We don't wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world and against spiritual wickedness in high places. People in our world have no shame. We need to walk in the old paths, wherein is the right way. God has set a watchman over us (our pastor). The new way is destroying people. You may say, "My friends are doing it." It is still wrong. The new way will get you in trouble. If you want to be right, go back to the ancient ways. They were right. We need to fall on our knees and pray for America. We need to teach our children the truth and bring them up in the fear and admonition of the Lord. If we don't instill the truth in a child, the world will get hold to them and corrupt their minds. God made a covenant with Abraham to teach his children. We must have the old ways.

Wednesday

Elder Rusty Sandy preached "We've Got The Power" from Acts 1:8. There's power in the name of Jesus. Everyone who has the Holy Ghost has power. We have power to heal the sick, raise the dead, cast out demons and do wondrous miracles in Jesus name. No matter how dark things may be, we have the strength of God to make it. Live for God in all His fullness.

Elder Lorren Godwin preached "The Cost of Freedom" from John 8:36 & 12:25. There's freedom in Jesus. We must surrender our lives unto Him. If we love our life so much that we can't give up worldly desires, we will lose it. But when we surrender our lives and have a relationship with Him we'll have freedom.

Summer Job

For her summer job, my 18-year-old daughter arranged interviews at several day-care centers. At one meeting, she sat down in one of the kiddie seats, no simple task for most people. The interview went well, and at the end, the day-care center director asked the standard question, "Can you give me one good reason we should hire you?" She answered, "Because I fit in the chairs." She got the job.
