Sunday AM

Pastor Joseph preached "Lift Up Your Heads" from Luke 21:28. In spite of the fact that the world is in crisis, we must stay focused on our Lord and Kingdom. "And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh" (Luke 21:28). In the same way that false Christs will try to distract us to look toward them, so also this weary world of wars, conflicts, and political upheaval will try to distract us with terror, fear, stress, and worry. Don't be fooled! It's not to say that none of the happenings around us will impact us or affect us in some painful ways. However, in light of eternity it won't matter. We serve the Risen King! We serve the returning Lord of Glory! Lift up your heads! Be faithful! Pray! Fast! Give! Win souls. Care for each other and minister to the needs of hurting people, both within and without of the church!

Sunday PM

Elder Lorren Godwin preached "You Have To Know Who You Are" from Ruth 1: 2. We need to know who we are. We are born again Christians. We have repented, been baptized in Jesus name and received the Holy Ghost with the evidence of speaking in tongues. The devil will try to tell you that you didn't get the Holy Ghost and that you aren't saved. The devil is a liar. We have to be strong and take a stand. We have to be like the wise man who built his house upon the rock. We have to dig in deep and be rooted and grounded in His Word. Study God's Word, pray and past; have a close relationship with Jesus Christ. If Jesus told you something yesterday, it's still true today. He'll do what He said He would do. If you're a babe in Christ, the devil will come to you with his trickery and lies. Don't listen to him. Get a hold of your pastor or someone who can be trusted to pray for you. Greater is He that is in you than he that is in the world. You must know who you are.

Wednesday

Pastor Joseph delivered a heartfelt report about Israel and the recent trip he and our First Lady took to DC to attend the annual Washington Summit of Christians United For Israel (CUFI) and to visit our US Senators and Representatives to express our support for Israel. The Hamas terrorist group is a violent threat getting the most media attention right now. Nevertheless the foremost threat on the radar for both America and Israel is the serious potential of Iran (leading state sponsor of terror) obtaining nuclear weapons. They are not only constantly spinning 19,000 centrifuges to weaponize more and more plutonium, but they also are developing ICBM technology. Their only conceivable purpose for intercontinental ballistic missiles is to deliver nuclear warheads, and ICBMs could deliver those warheads to both America and Europe. (They already have less capable missiles for striking to Israel; they just don't yet have the nuclear warheads to attach to them.) Another threat, the third on our list delivered to Congress, is Hezbollah, also terrorists.

Fun! Kids Corner Be like Joseph, who forgave his brothers (Gen. 41-43, 45)

Joseph's brothers were not nice to him. They sold him to be a slave. They pretended he was dead. Much later, Joseph became a powerful leader in Egypt. When his brothers needed help, they went to Egypt. What did Joseph do? Use a dark color to fill in all the bricks in the pyramid that have the letters J, S, P, and H. Copy the leftover letters, from top to bottom, onto the spaces below. They will spell the answer.

Clever Kids:

A police officer found a perfect hiding place for watching for speeding motorists. One day, the officer was amazed when everyone was under the speed limit, so he investigated and found the problem. A 10-year-old boy was standing on the side of the road with a huge, hand-painted sign that said "Radar Trap Ahead." A little more investigative work led the officer to the boy's accomplice: another boy about 100 yards beyond the radar trap with a sign reading "TIPS" and a bucket at his feet full of change.

Fun! Stan 'N' Isaac The shenanigans never end.
