### Sunday AM

Pastor Joseph preached "Faith Under Fire" from Isaiah 54:17 and Romans 8:28-31. We must view our tragedies, pains, and heartaches in the light of eternity. Somehow God can always find a way to make the bad things that happen in our lives to work for good if we love Him and are called according to His purposes. The moment we let our negative experiences cause us to get bitter and hateful is the moment of our defeat. No matter how bad it may seem, still trust in God! Maintain your faith even when you're under fire!

### Sunday PM

Pastor Joseph preached about the blood of Jesus (and also about unity in the Body of Christ) with the title "One Heart" from Acts chapters 4 & 5, Hebrews 9 (especially vv. 14, 18, & 22), and Galatians 3 (especially vv. 13-14). In the time of the Old Testament, the blood of bulls and goats did not pay for eternal salvation, but rather served to foreshadow the blood of Jesus, which is the perfected reality that those symbolic sacrifices pointed to. When we are truly born again and have His blood applied to our lives, it makes us of one heart with all other true believers. One evidence that this unity is present is when we care for each other and make sure that none of us suffers lack. Thank God for the blood, and for this wonderful church which was bought by His blood!

### Wednesday

Elder Rusty Sandy preached "A Soldier in the Lord's Army" from Matthew 10:14-22. We are to endure hardness as a good soldier of Jesus Christ. We won't lose power as long as we hold onto Jesus. Every day we must put our flesh under subjection and be strong in the Lord's army. Don't focus on what the world is doing. Keep your eyes focused on Jesus. He is the Way, the Truth and the Life. Jesus is not coming back for a church that is half committed to the world. We must commit our lives wholly unto Jesus.

Elder Les Benedum preached "A Great Witness" from Deuteronomy 32:29-30. Jesus is our firm foundation. When we ask God for something, we are building our faith. We must trust Him every step of the way. We are not alone in our battles. Others are fighting with us. Bro. Les told of how Sis. Renee Bargo could feel the prayers of people praying for her. Each one of us is a witness for God. Every time we pray in the presence of the King, He hears us.

An elderly woman walked into the local country church. The friendly usher greeted her at the door and helped her up the flight of steps. "Where would you like to sit?" he asked politely. "The front row please," she answered. "You really don't want to do that. The pastor is really boring," the usher said. "Do you happen to know who I am?" the woman inquired. "No." he said. "I'm the pastor's mother," she replied indignantly. "Do you know who I am?" he asked. "No," she said. "Good," he answered.
