Sunday AM

Pastor Joseph taught from Matthew 5:6-9,13,14,16-20,27,28 & 7:7-12. There are many people who claim to be religious who are not fully committed to living for God. "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven" (Matthew 7:21). Jesus is the Light of the world. We who have the Holy Ghost have Jesus in us. We are the light of the world. We must live our lives in a way that the world can see Jesus in us in everything we say and do. We need the Holy Ghost every day. We must die daily. When we receive the Holy Ghost, we receive power. We **can** live a holy life in this corrupt world around us. The Holy Ghost helps us to show love. We must live righteously but we must also show mercy and love to others. We should treat others like we would like to be treated. We need the oil of the Holy Ghost so we can show people love.

Sunday PM

Missionary Peter Gration and his family, missionaries to Vanuatu, blessed us with their anointed ministry. He preached from Romans 1:14-16. There is power in the gospel of Jesus. We must never be ashamed of serving God, but stand up for what we believe in. We are debtors to the world. We have been given the gospel, the message of salvation, to preach to others. We should feel obligated, eager, and unashamed to give this message to our neighbors, friends, and whoever we come in contact with. It doesn't matter if it's hot or cold or if they are young or old, tell them about Jesus. We are pleased to report that due to the kindness of CAC members giving to this family's mission, plus some additional amount from the general fund for honorarium & travel, CAC blessed the Gratian's mission fund drive with over \$800, plus a pledge of monthly support! Thank you!

Wednesday

Elder Zach Sandy preached "The Marathon" from Hebrews 12:1 & Philippians 3:13-14. Repentance, being baptized in Jesus' name, and receiving the Holy Ghost is just the beginning of running this marathon of life in Christ Jesus. We must continue to worship and have a relationship with God. Never let anyone convince you to give up. Keep your eye on the goal. Keep focused on pleasing God. If you finish this race, you'll have life everlasting. NEVER GIVE UP! Elder Les Benedum preached "The Push Is On" from John 8:56-59. Worldly people think that their opinion is right. They try to push it on to us. The devil is trying to destroy the family, marriage, church, and our way of life. He is out to destroy anything he can. We need to pray and stand on God's Word. We need to teach our children religious principles before the world gets hold of them. The push is on! If the enemy is determined to push to destroy godly institutions and godly values, we ought to determine to preserve them by our kind of PUSH: Pray Until Something Happens! Also, be sure to register and vote in the election!

Pumpkin Deterrent

Mrs. Jones was proud of her pumpkin patch, so she was real disappointed when some of the local kids were taking them to make Jack-o-Lanterns. One evening while Mrs. Jones was soaking in the bath, the answer to the pumpkin thefts came to her. After supper she went out and put up a sign: "Beware, one of these pumpkins is coated with a special colorless rat poison!" A day or two later when Mrs. Jones checked out her pumpkin patch she was pleased to see that no more had been stolen. Then she saw a second sign next to hers which said: "NOW THERE ARE TWO!!"
