Sunday AM

Pastor Joseph taught about "The Shema" from Mark 12:28-34. When Jesus was asked what is the most important commandment of all, He answered with Deuteronomy 6:4-5: "Hear, O Israel: The Lord our God, the Lord is one. Love the Lord your God with all your heart and with all your soul and with all your strength." Jews call this passage "The Shema" because its first word in Hebrew is shema ("hear"). God is one! Jesus also said the second greatest commandment is "Love your neighbour as thyself." Sadly, archeology indicates a long history of mankind turning from the one, true God and serving false, created gods. In early history, often the priestly caste of a city or region would form god-myths, and then allege that a selected leader (one they wanted in power) was descended from their god. A lore was formed around a normal man to make him seem "descended from the gods" to solidify his rule. Many city-states built ziggurats (religious pyramids) for the worship of a local god. Rulers were depicted as "sons of God" with an invented divine nature. Countless "gods" and much wickedness resulted from it.

Sunday PM

Pastor Joseph preached "Kings & Priests" from Proverbs 29:2 & I Peter 2:9. Bible-believing Christians are a majority in the US, and would control the elections if they would get up, speak up, go to the polls and vote. Moses was given wisdom from his father-in-law to decentralize authority into a system of localized government instead of keeping everything "federalized" in himself. Moses heeded this, resulting in various levels of local authority. The government that governs closest governs best. When our nation was founded, freedom of religion meant that Christians, Jews, Muslims, and all other people were free to believe and practice their faith as they saw fit. We need to prayerfully go to the polls and elect leaders who display the sound principles described in Exodus 18:21. We should also consider serving in elected office. One day the Lord will appoint us as rulers over the nations of earth. We need to allow God to mature us and prepare us for service.

Wednesday

Elder Zach Sandy preached "Stay Connected" from Matthew 17:30-21. When you connect a device to Wi-Fi, you must stay within range to have access. However, there is no range limit with God. We simply need to stay connected to Him. Jesus is more important than anyone or anything in this world. There is nothing comparable to the salvation He gives us. We must continue to pray, fast, study His Word and seek His will in our lives. We must let our light shine and be a witness to this world. Just as your phone needs battery power to stay connected, your spiritual life needs to stay charged up. Prayer, fasting, attending church, Bible study, etc. are all things that recharge your spiritual battery. Pastor Joseph exhorted us that we should give God our undivided attention when we are in church. If we have to check our cell phone every little bit, it has become an addiction. Avoid texting in church unless necessary. Stay connected to God!

A minister waited in line to have his car refilled with gas just before a long holiday weekend. A full-service attendant worked quickly, but there were many cars in line. Finally, the attendant motioned the minister toward a vacant pump. "Reverend," said the young man, "I'm so sorry about the delay. It seems as if everyone waits until the last minute to get ready for a long trip." The minister chuckled, "I know what you mean. It's the same in my business."
