### Sunday AM

Pastor Joseph preached "Take Your Chance" from Matthew 11:12 & Isaiah 1: 18. Nobody deserves a blessing. But if God opens a door, walk through it and take a chance. We must fight our way into Heaven. We cannot be passive. We must press our way in. We need to make an altar for daily prayer. Every prayer time, altar call, Bible study is an opportunity for us to get up and take our chance. When Jesus was on the cross He looked down through ages and saw us. He gave His life for us. "Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross..." (Hebrews 12: 2). Every chance that we have to come to an altar and pray we should take. We need to make up our mind that we going to fight and press and go forward into the Kingdom of God. Walk into the unknown and trust God. Take your chance!

### Sunday PM

Pastor Joseph preached "Rejoice" from Philippians 4: 4-8. Sing unto the Lord! We should be a rejoicing church! It does your heart good to rejoice. Greater than that, it makes the Lord feel good. We should sing and rejoice all the time, even when things are going bad. You say "I wish I could dance but my back isn't feeling good." But I've seen a 96 yr. old lady doing her dance by holding onto the pews. No matter if we're rich or poor or well or sick, we can still rejoice in the Lord. If we would get stricken with cancer or something greater, we can still rejoice for the good times we had. We have no reason not to rejoice.

### Wednesday

Rev. Carlton Clark preached from Acts. 4: 29-31. Are we satisfied with the blessings we got last year at Fresh Oil or do we want a fresh anointing? The last words of a dying church are "but this is the way we've always done it". We must move from where we were and get a deeper relationship with God. Don't stay the same. We must do more than clap our hands. Give praise with our voice as well. We must give ourselves to prayer. If there is no prayer, there will be no move of God. Let's get ready for a great outpouring of God's spirit!

A little girl came home from school and said to her mother, "Mommy, today in school I was punished for something that I didn't do." The mother exclaimed, "But that's terrible! I'm going to have a talk with your teacher about this.... By the way, what was it that you didn't do?" The little girl replied, "My homework."

# Christian Apostolic Church

Where Miracles Live!

## Join Pastor Joseph in a 30-day fast from social media: "Let's draw closer to God, to hear His 'still, small voice' and be anointed for miracles!"

On Saturday night (at the final service of the Fresh Oil Conference), Rev. Carlton Clark and Rev. Aaron Bounds preached mightily about what God has spoken regarding revival and miracles coming for Christian Apostolic Church (and for our surrounding area), and called us to be bold in standing up for God, and to be willing to sacrifice to bring about a sensitivity to God's voice. Rev. Aaron Bounds inspired us with how God had spoken to him about a coming revival at their church, and had confirmed it through others, and finally how it happened indeed. Their church (the Anchor Church of Zanesville, Ohio) saw the prophecy come to pass after participating in a 30-day fast from all social media (to remove distractions and "noise" in our hearts), combined with fervent prayers to draw closer to God, which prepared their hearts and minds for sensitivity to the voice of God.

Pastor Joseph then deleted the Facebook application off his mobile phone the very same night. He also edited the "Notifications" section inside Facebook's settings, to eliminate messages from Facebook during the fast. He also researched and found that one can "deactivate" their Facebook account temporarily, which is different from permanently "deleting" a Facebook account.

Pastor Joseph writes, "In sincere response to the exceedingly powerful word of God and amazing touch of God that we experienced in the Fresh Oil Conference, today (Sunday, August 21, 2016), I'm embarking on a 30-day fast from social media, like what Rev. Aaron Bounds preached to us about, combined with an intentional increase in altar time (prayer time) before the Lord, to draw closer to Him, to hear His 'still, small voice' via heightened awareness and sensitivity, and to boldly set about to see these glorious promises (to our church and surrounding area) fulfilled. Please join me in this fast. I know that the Lord God Almighty will bless us and impart power to us if we will join together in this endeavor and see it through. Thank you for joining with me!"
