Sunday AM

Elder Lorren Godwin preached "What's My Attitude?" from Genesis 29:30-35. When we get our attitude right and begin to praise the Lord in spite of all the setbacks and pain we've experienced in life then God can use that and will bless us. Our attitude in our trials determines our outcome. Job was a man who had everything. One day he lost it all – his children, his wealth, all of his animals. He lost everything. But he said, "the Lord gave, and the Lord hath taken away; blessed be the name of the Lord" (Job 1:21). His friends accused him of sinning. Yet, when he prayed for them God blessed him with twice what he had before. When you're laying sick in bed or when you're going through a bad trial or situation you need to praise and worship the Lord. When Paul and Silas were arrested and cast into prison they didn't grumble and complain. They prayed and sang praises to God and they were set free. It wasn't because they deserved it. It was because they had an attitude of worship and praise. During the midst of our most painful and troubled trial we need to praise and worship God for Who He is. Choose to live a lifestyle of worship!

Sunday PM

Elder Baron Claypool preached "Family Traditions" from Genesis 12:1-3. Families have different traditions – some are good and some are not good. We are all part of the family of God. It's imperative that we develop our own sense of tradition. We have to be careful to protect the heritage that has to be handed down to us. Be careful to not let those things slip that have been taught unto us. There is nothing more important in your walk with God than separation. It's separation from the world that will keep us close to God. We can't be a friend to the world and a friend to God at the same time. We have to have a sense in ourselves that we're going to let your light shine all the time no matter the circumstance. We must be sure we grasp a spirit of sacrifice and a spirit of prayer. A person with a close relationship with God has a prayer life. We must hear and obey the voice of God. We must communicate with Him and have a close relationship with Him. We must, like Abraham did, teach our children the laws of God. Develop this tradition in your children so that your children's children will also know God's laws. Teach our children that God is first in our lives. We need a family tradition in our personal lives and in our church family that we are going to work for God.

Wednesday

Elder Matt Anderson preached "It Was Good" from Job 1:1, 6-12. Job lost everything but he didn't blame God. His friends accused him of sinning. In every aspect of our lives we need to be careful from whom we get our advice. We don't always know what God is doing but we need to trust Him. In the end God gave Job twice what he had before.

Elder Les Benedum preached "Jesus On The Inside" from Jeremiah 1:4-5. God called us all before we were born. The Lord formed man in the very beginning and doesn't want him to make any changes to his body. God designed everyman. Whatever he does to the outside of his body, he will still be the same as God made him.

An 80-year-old couple was worried because they forgetting things all the time. The doctor assured them there was nothing seriously wrong except old age, and suggested they carry a notebook and write things down so they wouldn't forget.

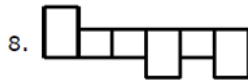

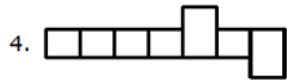

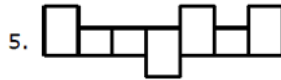

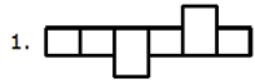

Several days later the old man got up to go to the kitchen. His wife said, "Dear, get me a bowl of ice cream while you're up". "Okay," he said "and put some chocolate syrup on it and a few cherries too". She added, "You'd better write all this down". He said, "I won't forget". Twenty minutes later he came back into the room and handed his wife a plate of scrambled eggs and bacon. She said to him, "Now I told you to write it down, I knew you'd forget". "What did I forget?" he asked. She replied, "My toast!"

Where Miracles Live!

In Jericho, we met "Clyde, the Desert Glide" (earliest known form of Harley Davidson)

Above: Brother Kieran Joseph reaches out to pet one of several camels we encountered in Israel. In the upper left, Brother Jim Curley is seen talking to someone. We enjoyed a wonderful time in the Holy Land. Jericho is under control of the Palestinian Authority, but our excellent Jewish guide, Yitsaq (known to us by the nickname "Ike") is one of several guides permitted to enter P.A. areas. This area is very close to where Jesus was tempted of the devil. We saw many biblical sites.
